Wastewater Treatment Division

Barton Combined Sewer Overflow (CSO) Control Project *Sunrise Heights and Westwood Neighborhoods*

Open House Community Meeting Agenda

October 13, 2012 10:00am-12:00pm

Westside School, 7740 34th Ave SW, Seattle WA 98126

Meeting Purpose

1. To walk the neighborhood through design evolution from 30% to 60%.
2. To share detailed designs on 19 selected blocks.
3. To provide opportunities for neighbors to learn about bioretention swales from experts, including soil scientists and Stewardship Partners.
4. To share information about the RainWise voluntary incentive program.
5. To help residents understand landscaping choices for swales.
6. To provide a forum for the community's questions and concerns.
